SUMMARY

I have completed my Diploma in Computer Science and Engineering (CSE). I am proficient in Web Development, Computer Operation, MS Office, Data Entry, Internet Browsing and IT Support. I am able to learn new technologies quickly, have responsibility and problem solving skills. I am keen to further improve my professional and technical skills while contributing effectively to the organization's goals.

WORK EXPERIENCE

Green Line Paribahan Limited | Dhaka – 1217

Sales / Marketing /Accounting Officer

(October 2025 – Present)

- Ticket sales and customer handling
- Providing information about routes, schedules, and fares
- Maintaining daily sales records and reports
- Assisting passengers with service-related queries
- Ensuring smooth counter operations and customer satisfaction.

INSPIRED IT | RANGPUR – 5400

In Internship 2024

(October 2024)

At Inspired IT, I honed my skills as a web developer, specializing in front-end development. I collaborated with cross-functional teams to design and implement responsive websites, ensuring seamless user experiences. Proficient in HTML, CSS, JavaScript, and WordPress, I delivered optimized, secure, and scalable solutions tailored to client needs.
